

# **Medication Policy Information**

## **Student Safety - Medication**

If your child needs to take medication during the college day, please leave it at the **Main Office** clearly marked with your child's name and dosage instructions, this includes the taking of paracetamol.

If your child is asthmatic, they should carry their inhaler with them at all times but we would request that you also leave a spare inhaler with the **Main Office**, as per the **Guidelines from Asthma UK**. Please note: no other medicines should be carried by students within college.

For more information or to discuss your personal requirements please contact **Mrs Chatterton** on **01507 462443**.
