Introducing Magic Moments' Caravan

Available to any family affected by disability or illness

The 8-berth, 3 bedroomed caravan is situated on a quiet, family-friendly site at Chapel St. Leonards, between the larger seaside resorts of Skegness and Mablethorpe on Lincolnshire's East coast.

Pictured at the start of the 2014 season, the caravan is well furnished and well equipped and a pleasant, comfy base from which to explore Lincolnshire's East Coast resorts and surrounding areas.

The Golden Palms Resort is conveniently located on the main road to Chapel St Leonards. The park itself is split into 2 sections with the main road as the divide. The park is easy to get around as there are no hills or steep gradients, and the roadways are either solid concrete or tarmac. The caravan is situated closest to the beach on the Lincoln Park side. This side contains the shopping complex, food outlets, retail outlets, Crazy Golf and the Maid Marion Pub.

Across the road on the Sherwood Park side there is the Club Tropicana entertainment centre, an indoor heated swimming pool and amusements. Both sides have outdoor play areas and kids have a dedicated under 14's play area, the Fun Beach, which is staffed by talented resident children's entertainers.

The sandy beach is very close by, just a few minutes' walk from the caravan. There are miles of sandy beach with a promenade where you can walk on solid, level ground in both directions. With Chapel St. Leonards in one direction, or Ingoldmells along the coast in the opposite direction, either way you can enjoy the views and fresh air, or spend leisurely days digging and playing with the children on the sand.

The caravan features a light, spacious living area with a gas fire and separate dining area with table. The seating opposite the fire opens out to provide the second double bed sleeping accommodation.

The spacious kitchen is well-equipped with a gas cooker, fridge with ice-box, kettle, toaster, microwave and pots, pans, cutlery and utensils for your stay.

There are 3 bedrooms, 1 double and 2 twins, each with their own wardrobe and storage space. There is a shower cubicle and wash basin, with a separate toilet and hand basin.
