"Excellent mentoring not only helped build my confidence, but it also guided me on my journey from trainee to qualified teacher."

Miss Elias
(ICT)

"Working at JSTC has been a truly rewarding experience. Both my mentor and the Head of Department are always ready and willing to offer guidance and support if I need it."

Mr Ramirez
(Maths)

"Any apprehension about my new career was soon dispelled by the warm welcome and support. Choosing JSTC was definitely the right move."

Miss Hewson
(Geography)

"From placement to allocation was seamless and, with their full support and understanding, I was able to balance my PhD research alongside my NQT."
